I shall be pleased to recommend you to anyone, & we shall certainly be

pleased to have you again, as & when the occasion arises.

Hello Patricia,

I would just like to let you know that we were delighted with the catering on Saturday: Good portions, value for money, well presented, and we particularly enjoyed the salmon – quite impressive.

I would not hesitate to recommend your services to others. Indeed, we have a couple more 'land-mark' celebrations next year which may also require outside catering. If so we will be contacting you again closer to the time.

Many thanks to you and your staff.

Kindest regards
Linda Morris

Dear Patricia

Just a note to thank you for your support for my Coffee Morning in aid of Fibromyalgia.

I am delighted to say we raised £581.50 which exceeded my wildest dreams.

I have therefore decided to send £481.50 to the Surrey and Sussex FM Support Group which I belong to, and £100 to a lady called Jeane Hambleton who is producing a book about Fibromyalgia called "Pain 24/7 The Fibromyalgia Jigsaw ©" and is absorbing the publishing costs herself so that profit from the book's sales can go to research on Fibromyalgia.

It is hoped that Guy's Hospital will start some research soon, as at present the only known research is being done in the USA.

Thank you once again for supporting my Coffee Morning

Best wishes

Joan

More Compliments From Customers...

Dear Patricia,

Now things have settled down after my celebrations and Alex's wedding last week I have time to write. Thank you and your team very much for helping make my 60th birthday party so successful. It was exactly as I wanted and from the comments in letters from my guests the all enjoyed themselves. There was praise for the food, (particularly the canapés) service and band. From my point of view you also ensured that everything went to the agreed timetable.

I am enclosing a photograph of the team taken by Judy my eccentric friend who climbed on the table to take pictures. A quote from her "what a willing, helpful, friendly catering team". That sums it up beautifully. A colleague at work asked my ex boss about the party. He replied, "just how Sue had planned, but better" and that would not have been possible without your help. I would not have been possible without your help. I would be willing to be a reference for you in the future if you so wish.

Dear Patricia,

Thank you so much for providing us with such a lovely meal last night and thank you too to all your staff who were so pleasant and helpful during the evening. You all helped to make our birthday dinner an extremely enjoyable occasion.

Dear Patricia,

Just a little note to say thank you to you and your staff for all your hard work at our party.

The food and service was excellent, I shall certainly be in touch with you when we entertain again.

Kind regards.

Valerie Carr - December 2000

Dear Patricia,

Just to say thank you and your staff again for the magnificent day we had on Saturday. We have been overwhelmed with compliments of the excellence of our choice of caterer - the superb food - yourself and your girls, cool calm and collected at all times. The marquee so beautifully arranged, in fact the whole day from beginning to end was a complete success and we can't thank you enough.

I must also apologise again for the late start which you accepted with complete composure, so thank you all again for making it such a wonderful day.

Joyce & Eric Samuel - July 2001

Dear Patricia,

What a smashing 'do' you provided!

It was a most impressive presentation appreciated by all the guests, with delicious food, beautifully prepared, well presented at the tables and efficiently served by your team of delightful and helpful waitresses.

Yes, the venue has to be comfortable, the weather kind - particularly in a marquee, the Bride and Groom traditionally late and the entertainment appropriate. But, the most important and lasting memory taken away by the guests is always the catering.

I know how much planning and hard work 'behind house' you put into making this such a memorable day for us and we are most grateful to you personally and your team. 'Front of house', your staff were extremely smart, highly efficient with the serving and it was a brainwave having someone devoted to looking after the children - oh, how they enjoyed their special menu and being entertained!

Again, very many thanks for a service, incredibly well carried out. I would recommend you to anyone who appreciates attention to detail on the day.

Yours sincerely

Dear Patricia,

Thank you for the excellent meal and service on Saturday. Everybody said how much they enjoyed the food. My Son & Daughter-in-law were very pleased with everything as was I. Thank you once again.

Yours Sincerely

Dear Patricia,

Thank you for a super spread-it was just what was required. People were particularly complimentary about the cakes!

Dear Patricia,

I am sorry that it has taken so long to get back to you, but things have remained hectic since Angela's party.

I would like to thank you for the highly professional service that you provided for Angela's 40th birthday party. The number of guests that we had at the event made service a challenge, to say the least, but you achieved an incredibly high satisfaction rating from absolutely everyone at the party.

In particular, the attention to detail for the guests who preferred specific wines was really appreciated and noticed, the food was commented upon for it's excellent flavour with - one guest even saying that it was the first vegetarian meal she had had at a party and not felt she was part of the unfavoured minority!

Please could you pass on my and Angela's thanks to your staff, and my thanks for handing over the kitchen in such fine condition at the end of the evening.

If the occasion arises, we will have no hesitation in coming to you again.

Yours sincerely

Richard Preece - April 2002

P.S. Please feel free to use this letter as a recommendation from a very satisfied customer.
